

7 October 2026

BREEDON GROUP PLC

Investor site visit

Breedon Group plc ("Breedon" or the "Group"), a leading vertically-integrated construction materials group in Great Britain, Ireland and the United States, is today hosting a site visit for investors and analysts to its Hope Cement Works and Dowlow Quarry in Derbyshire.

Hosted by Rob Wood, CEO, and James Brotherton, CFO, the day will provide a snapshot of Breedon's vertically-integrated model in operation, alongside the opportunity to meet Breedon's senior GB management team.

The presentation will be available under the investor relations section of the Breedon website: <https://www.breedongroup.com/investors>

No new material trading information will be disclosed.

About Breedon Group plc

Breedon Group plc, a leading vertically-integrated construction materials group in Great Britain, Ireland and the United States, delivers essential products to the construction sector.

Breedon holds 1.7bn tonnes of mineral reserves and resources with a long reserve life, supplying value added products and services to a broad range of customers through its extensive local network of quarries, ready-mixed concrete and asphalt plants. The Group's two well-invested cement plants manufacture a product which is key to delivering infrastructure and housing and are actively engaged in carbon reduction practices.

The Group's 4,900 colleagues embody our commitment to 'Make a Material Difference' as the Group executes its 'Expand and Improve' strategy to create sustainable value for all stakeholders.

Breedon shares (BREE) are traded on the Main Market of the London Stock Exchange and are a constituent of the FTSE 250 index.
