

Bonnington Mains Quarry – Feedback Form

Thank you for participating in this consultation exercise which forms part of the pre-application consultation (PAC) process being undertaken prior to submission of planning applications for Bonnington Mains Quarry.

We would welcome your feedback on the form and content of the consultation exercise and the development proposals put forward during the consultation process.

Please complete and return this form to:

By email, to donald.wilkins@breedongroup.com

Or,

By post, to *Donald Wilkins, Breedon Trading Ltd, 2 Kilmartin Place, Uddingston, North Lanarkshire, G71 5PH*

Did you find the information presented within the exhibition informative and easy to understand?

Please provide comments;

What Aspects of the development are you most interested in?

Quarrying ☐ Materials Recycling Plant ☐ Infilling ☐

If required, please use the space below to provide further detail.

Taking account of the information provided, do you support the development?

Please provide reasoning.

Please note that when submitting the planning applications to the City of Edinburgh Council, the application will be accompanied by a *Pre-Application Consultation Report*, which sets out the steps Breedon has taken to consult with the local community and the comments and feedback it received during that consultation process. To ensure the process is as transparent as possible, Breedon would like to incorporate your feedback forms into the *Pre-Application Consultation Report*. All personal data, including names, address and email address will be redacted before submission of these forms. The *Pre-Application Consultation Report*, including completed feedback forms will be published by The City of Edinburgh Council on their website.

Do you agree to your completed Feedback Form being submitted to The City of Edinburgh Council and published on their website?

We would like to keep in touch with the community throughout the process. If you would like to receive updates on the development, please include your name and contact details below.
