4. PRICE

4.1 Unless otherwise agreed by the Company in writing, the Contract Price for the Materials, whether delivered to or collected by the Purchaser, shall be calculated by reference to the prices set out in the Purchaser's Price List applicable to the Purchaser, current at the time the order is accepted by the Company. 4.2 The Contract Price may be increased or decreased at any time by the Company upon giving to the Purchaser at least one month's notice in writing. Any orders accepted by the Company after the expiry of the one month period referred to in this Clause 4.2 shall automatically be made subject to and in accordance with the Conditions and the Contract Price shall be determined by reference to the increased or decreased rate as the context requires.

4.3 Clauses 4.1 and 4.2 shall override any other provision relating to price in any estimate given by the Company or which the Purchaser seeks to impose, or incorporate, or which are implied by trade, custom, practice or course of dealing.

4.4 The Contract Price shall be exclusive of any VAT or other applicable sales taxes (save for those provided for in Clause 4.7) and of any Additional Charges, all of which amounts the Purchaser shall pay in addition to and together with and on the same due date as the Contract Price for the Materials.

- 5.4 The Purchaser acknowledges and accepts that the Materials may contain substances which can cause harm or damage to humans and animals, plants, property or the environment and the Purchaser shall take all necessary steps in the use of the Materials to ensure no such harm or damage is caused. The Company shall not be liable for any failure of the Purchaser to store, transport, handle or use the Materials in accordance with good industry practice and generally applicable or recognised health and safety obligations and procedures and/or the Recommendations.

Likewise, in its absolute discretion, the Company reserves the right to require payment by the Purchaser in cleared funds for the supply of such further Materials, notwithstanding any previous agreement to provide credit to the Purchaser.
- 6.5 If the Purchaser:

- 7.2.1 specialist admixtures or fibres;
 - 7.2.2 steel fibres;
 - 7.2.3 a specific colour; and/or

The Purchaser must ensure it has suitable personnel and equipment at the Destination to receive the Materials.
- 7.4 The Company shall use reasonable efforts to comply with any time or date agreed by the Company for delivery of the Materials, but any dates and times are intended for guidance purposes only and shall not be of the essence, and shall not be capable of being made of the essence by notice from the Purchaser. If no times or dates are agreed, the Materials shall be delivered to the Purchaser within a reasonable time of the acceptance of the order. The Company may deliver the Materials earlier as well as later than any dates and times agreed by the Company, and the Purchaser must accept the delivery of the Materials accordingly.
- 7.5 The Company may deliver the Materials by separate instalments and each instalment shall be invoiced and paid for in accordance with the Contract. - 7.11.1 supplying Materials equivalent to the delayed or non-delivered Materials, free of charge; or

If the Purchaser fails to follow the Notice Procedure the Materials will be deemed to have been accepted and the Purchaser shall not be entitled to reject the Materials.

8.6 The Company shall not be obliged to provide to the Purchaser copies of any Delivery Tickets which are, at the time of the request from the Purchaser, more than six months old.

9. RISK AND TITLE
